

BioQuest[®] Pharma

High-End performance-enhancing drugs.
Enabling better physique

Bioquest Pharma   

OUR COMPANY

The Bioquest Pharmaceutical Group was founded in the Republic of Germany in 2011. The company has partnering relationships and a great deal of contracts with the leading pharmaceutical factories of the European Union and China. The activity area of the company is the pharmaceutical raw materials selling . In 2015, we've decided to release own line of hormonal drugs.

MISSION

Our mission is very clear - provide best and fully tested products and to be useful for our customers. We offer details on each of our products so that users can understand the products fully and seek the proper usage in regards to each product. We keep to the strictest security and privacy standards to save your personal information and the one of e-commerce.

PASSION

We are professional and You will always Receive First Class Service. We love to care about the people because by choosing our products you are giving us a chance to change a small part of your world and we are happy to do that professionally and passionately

DIETARY SUPPLEMENTS

ALPHA

POWER & SPEED

ALPHA is suitable for sportsmen and women doing a variety of sports, where quick acceleration and sustained power is important, especially where muscle acidosis is likely to contribute to fatigue during both training and racing or competition. ALPHA helps to control the rise in muscle acidity that occurs as a natural consequence of intense exercise, limiting performance.

BIO-CYT3

THYROID SUPPORT

ALPHA is suitable for sportsmen and women doing a variety of sports, where quick acceleration and sustained power is important, especially where muscle acidosis is likely to contribute to fatigue during both training and racing or competition. ALPHA helps to control the rise in muscle BIO-CYT3 is a new fat burner that ensures the maintenance of an appropriate metabolic rate. Reducing the production of T3, the thyroid's most active and key fat-burning hormone, can stop the weight loss. BIOQUEST PHARMA has developed a powerful and natural T3 supplement that supports and boosts the body's thyroid hormone production that occurs as a natural consequence of intense exercise, limiting performance.
